Logging On

|	
Reminder: Users **_must_** have a *Login* and *Password* to be able to access WebEcos.	
• Click **Login**.	Forget Password/Pin Monday, 30 Jul 2012, 01:19:51 User Guide — Login — Sign Up
• Enter **Login** and **Password**. • Click **Sign In**.	User Login Login Password Sign In
• Login e.g. usrxxx will be displayed at the header area indicating that the user is logged in.	WELCOME USRPANGH My Password/Pin Forgot Password/Pin Switch to HTTP Monday, 30 Jul 2012, 12:13:01 User Guide Logout

This will be the first and foremost screen that you will view once you log in into the system.

Figure 1. Home (Existing User login)

For existing user login, there is **Order Management System** function residing for user to trade.

However, for trial user login, there is no **Order Management System** function residing. No trading is allowed yet only viewing the price feed and doing few customisation.
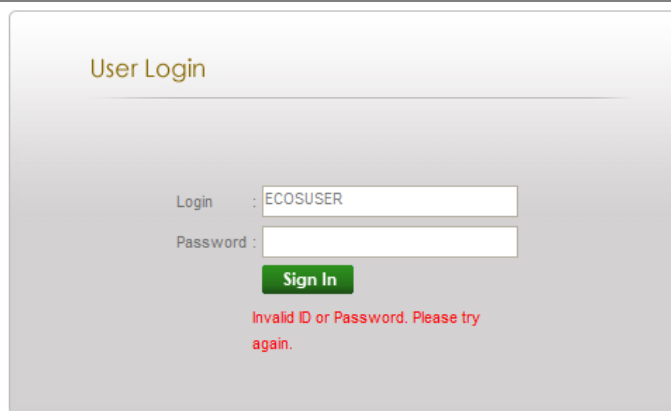

Figure 2. Home (Trial User login without Order Management System function)

To easily returns to **Home** screen, click **Home** 🏠 icon on the most left of the navigation menu.

Login Failure

| • Login with unmatched **Login** and **Password** combination results in this display. | User Login

Login   : ECOSUSER

Sign In

Invalid ID or Password. Please try again. |
|---|---|

Warning:
*A user has only **3** attempts to log in with the correct ID and password combination.*
Failing to do so results in the account to be suspended.
Contact Helpdesk to resolve the problem.
The setting for login attempts is subject to Administrator's decision to change.

Retrieving Password (Forgot Password/Pin)

In the event that you forget your password/trading pin, you could retrieve it by clicking the "*Forgot Password/ Pin*" link at header area.
